Subject: LPS Childcare

Good morning Charlene,

I am sending you this email as a working mom of school-aged children. As the school year comes to a close, so does my child's childcare provider, Plum Tree Cottage. This short notice closure has left a lot of parents scrambling and unable to acquire childcare for the coming school year due to wait lists of unknown length.

I'm asking that the school continues to provide out-of-school childcare with the already-existing EA's that we have all grown to know and trust our children with.

Thank you for your time in reading this email.

Warmest regard,

Dara Simpson
