Subject: Expressing support for the Environmental Sustainability Action Plan

CAUTION: External Message

M. Charlene McKay,

Good Afternoon,

I am writing to express my support for the proposed Environmental Sustainability Action Plan, and would like to encourage you to vote to move it forward for public consultation.

We are at a critical moment in history and we have a clear opportunity to help shape our community for the better. I believe this plan will be a huge step in the right direction, and was very pleased to see such a forward thinking approach being presented.

Thank you

Shaun MacNeill
