**Subject:** I support the Environmental Sustainability Action Plan

**CAUTION:** External Message

M. Charlene McKay,

Please vote yes to move the proposed Environmental Sustainability Action Plan forward for public consultation. This plan will help our community take critical steps forward in rethinking our relationship to the land we live on and equipping our youth to become thoughtful stewards of our environment. I hope you will embrace this opportunity for Nanaimo Ladysmith Public Schools to become a provincial leader with this bold plan!

David Quigg
