Dear Board Members;

On behalf of the Vancouver Island Children's Book Festival Society, thank you for your generous donation towards author/illustrator visits during Book Fest week this year.

Why offer author/illustrator visits?

Students are both delighted and inspired by author/illustrator visits, listening to stories, learning about the writing process and engaging with a published Canadian artist.

Your donation makes it possible for many more students and school communities to participate.

2026 - A Particularly Special Year

Nanaimo's annual Children's Book Festival is currently celebrating in its 40th year.

Again, thank you.

Yours truly,
Robyn Geisler
