Subject: Frank J Ney bus route

CAUTION: External Message

I just found out that there is potential for the bus route for the previous Rutherford students to Frank J Ney is going to be canceled for the following school year. My kids have ridden this bus since Rutherford closed and we require this service. My daughter has since moved on to high school but my son will still attend Frank J Ney. He is not there this year we opted for connect Ed to eliminate the potential interruptions of school work should there be Covid exposure etc but he did want to go back next year. If the bus route is removed he will be unable to attend Frank J Ney so will have to continue connect Ed or is it an option for these bus students to attend Rutherford with the Pleasant Valley kids?

Thank you, I hope you listen to all of our concerns
