CAUTION: External Message

Hi Charlene,

I have attached our 2021 Broombusters report and hoped you would share it with the other trustees.

The work between SD#68 maintenance dept. and Broombusters has gone very well. We are well on our way in eradicating this invasive on SD#68 properties. I believe this district is the first in the province to do this.

Sincerely

Lynn Kropinak

BROOMBUSTING SCHOOL DISTRICT #68 PROPERTIES 2021

Broombusters spent a total of 63 hours checking and broombusting SD#68 properties (105.5 hrs. last year). We found many schools without broom, as a result there was far less broom for the maintenance department to pick up this year. We did not re-check properties from last year that were found to be broom free.
