I appreciate the opportunity to have input on the school calendar for the next couple of years.

My family and I enjoy the two week spring break as it allows us to wind down and get outside.

Thank you for the opportunity to comment on the upcoming school calendar.

I believe that two weeks is too long for spring break; especially this year (20-21) after having lost most of the 19-20 school year.

I find it extremely difficult to find appropriate child care as I do not have enough leave and the city programs are full. I struggle to keep them supervised and engaged for two whole weeks, especially when it is in addition to Easter holidays.
