Subject: Day custodians in our schools?

CAUTION: External Message

Dear SD68 Board Members,

I wish to acknowledge these unprecedented times and the hard work you all do to support our children and communities.

I am also compelled to express my concern and extreme disappointment that the province is not providing day custodians this year. I hope this district will make room in the budget to support additional cleaning.

I fully support any motion that includes advocating for day time cleaning similar to last year.

I will have a kindergarten age child attending school in your district and feel keeping cleaning standards high will have nothing but positive effects for our teachers, support staff and students.

Thank you for your consideration, time and energy.
-Justine Swanson.
