**Subject:** Immediate consideration for child welfare and mental health

**Importance:** High

**CAUTION:** External Message

After MONTHS of practice and training, the John Barsby Football teams have secured the opportunity to play at BC Place.

The football game this weekend is NOT cancelled.

BC Place is NOT cancelled.

NO other school district has prohibited their children from playing.

**The School District must reverse their decision to destroy the mental health of children.**

This is unacceptable. The Deputy Minister clearly said that carpooling or bus transit is preferred and all the children will be on a bus and parents carpooling. We will be on a ferry that will already be running regardless of numbers, so filling the ferry makes the use of fuel more economical.
